Old business:

Bleachers at Football field did not get painted, but bottom bench was fixed.

Central Electric and River's Edge Bank would like to sponsor something – It was brought up to start the ½ time free throw shoot again. Maybe they would be willing to purchase Gatorade and put name on the bottles that people would win. Youth Basketball wants money to purchase basketball hoops at the grade school (Adam Shumaker). Discussed maybe the grade school parents could run the contest and the money raised could be put towards the purchase of the hoops. Kay will call Adam.

Senior posters are done. The booster club gave Lyndi Hudson a sweatshirt for payment.

No new business or bills to approve.

A motion was made for meeting to adjourn by Stacy and 2nd by Angie.
