

An informal meeting for the Howard All Activities Booster Club was held on Wed, Aug. 9 with Kay and Kari G. present.

No meetings were held in June or July. Correction made to April minutes which states \$600 was approved for FFA students to attend State Convention and we actually approved \$660. Correction noted.

Current balance in account at \$27,071.81. Per Lisa, approx. \$1000 left from payout amount.

Kay reports concession list is done for the year and will be mailed out this week.

Concession groups for this year thus far include:

Angie R, Jess S. and Renee H- Volleyball

Amie K and ???- GBB (still seeking volunteers)

Sarah M and Lea S- FB

Dani, Audrey S and Stacy K- BBB

??Carrie M- concessions for youth tourneys

??Karna, Kim, Jill D- Jr. High events

If anyone has any suggestions for volunteers for vacancies, please ask them and let Kay know. : )

Athletic/sports meeting to be held on August 28<sup>th</sup>. Melissa C is heading up lunch.

YardLine Fundraiser- Kay will ask Steve if he will do this again this year.

Issues that need input or to be voted upon:

- 1) Approval to pay kitchen \$500 to make BBQ for concessions again this year.  
Approved via email
- 2) Erin requested \$50 for visiting FB cheerleaders for pop/popcorn at concession stand. Approved via email
- 3) A payout amount for current school year needs to be established. Is everyone good with \$8000 again?? \$8,000 approved via email
- 4) Myron Rudebusch is currently siding the FB concession stand which the school is paying for. A 4x4 decal (tiger?) has been suggested to put on the side. Cost is approx. \$175.  
Approved via email

- 5) Football lights are in and it needs to be decided whether we are going to donate to this project. Total cost is \$47,000. Heartland gave a grant/donation for \$5000. Central Electric denied request for \$5000; however, will re-evaluate in November. It was discussed that Booster Club could possibly donate \$5000 now and re-evaluate in January and if funds available, donate \$5000 more at that time or could pay \$10,000 now. This item tabled til next meeting.
  
- 6) Sports posters are increasing in price by .50. Still will make little money on them. Is this something we want to continue to do? It's a hassle calling the businesses, collecting the money, distributing them 3x/year and make little money, but they do look nice and promoting our school athletic programs. Discussed per emails and majority feels we should continue to do as community service if anything.
