Old Business

Senior Posters – EJ’s poster was missing

Activities posters – Posters will be updated. The boys’ basketball will be taking new pictures in the white uniforms and that picture will be used instead of the orange picture, that was previously used.

Apparel – the committee is waiting until after Christmas to put out link

New Business

Athletic Training room (new addition of school) – it was brought to booster club to see if they were interested in providing equipment for the room. The school board also wanted to talk with Howard Physical Therapy to see if they would be interested in doing more in cooperation with the school district. The Booster Club will wait for guidance on what could be purchased for the room. The school will be providing the equipment needed for the weight room and wrestling room that previously thought was not budgeted.

Concession Stand price signs are being made by Bret Bosn. He will be using the old gym floor to make the signs. They will 3’x4’ possibly covered with plexiglass. The plexiglass will have to be removable to be able to update the prices. Erin will talk with Fox Print about making something vinyl for the prices (2’x3’). Then when and if the prices change we can get new vinyl from Fox Print.

No requests received this month.
