

01/14/2021

Attendance: Stacy Kampshoff, Carrie M, Dawn H, Lisa G, Erin F, Pat R and Angie Rentz

Last minutes were read and a motion to approve was made by Carrie and 2nd by Stacy.

The sliding door for the concession stand was locked and tried to be open while locked, therefore bending the workings of the sliding door. There is no need to lock the door when there is no way of sliding the door open without pushing the button. The locks have been disabled.

Treasurers report was read and a motion by Erin to approve and a 2nd by Dawn. Income has been steady for the concession stand during covid. As of 12/31/2020 the total in the account is \$27,158.35 – the \$7820 (left to disperse to groups) leaves a balance of \$19,338.35.

Wrestling team made a request for \$1359.20 to purchase new singlets – Stacy made a motion to approve their request and a 2nd by Dawn.

Last years scholarship money is to be paid out to the recipients. We think that they are Presley Claussen and Paul Winker.

The workers at the home events do not get free food or drink from the concession stand. Pat will remind workers of this.

Booster Club discussed mask and gloves recommendations/requirements while working in the stand.

Booster Club talked about asking Mrs. Wiese if a flag could be shown on the digital stat board (in the gym) while the Star Spangled Banner is played.

Upcoming events added to the event calendar – Madison wrestling dual – 02/09/2021 (5pm little kids), Warner girls basketball game 02/19/2021 6:15pm JV, Youth boys basketball tourney 02/06/2021.

Pat brought up the discussion that Alliance will purchase all the equipment and offer a TV station for all Howard events to be broadcast. There is a way for the station to be broadcast over youtube. The school is looking at having a person run the camera and announce at some events. Booster club will wait to see how the school choses to proceed. Maybe there is a way that Alliance can get the events to Triotel to be watched by people within our school district?

Youth boys basketball is having a tourney 02/06/2021. They will be using the stands at the High School and armory. They will be in charge of stocking and running the stands. We will furnish the products to sell. They do not want any of the proceeds.

This is the last year for our secretary, treasurer and a board member. We ask that willing people step up to fill these positions. We will need help with ordering for the stand, stocking the stank and scheduling workers.

Motion to adjourn made by Angie and a 2nd by Lisa –
